Committee/project team length of service will be determined at the end of their tenure.

Outstanding Service Award	Letter of appreciation from TAL Board Chair with a carbon copy to member supervisor or Board Chair, a certificate of appreciation and an award not to exceed \$250 in value.

Individual committee and service teams may recognize members in addition to this policy. However such additional recognition will be at the discretion and expense of the individual committee or project team's members and outside the scope of this policy.
